

Zahra Olanrewaju

Junior Front End Developer

I am a vision driven graduate with experience working with HTML, CSS, JavaScript, React and Bootstrap. I am proactively client focused with emphasis on bringing creative concept into feasible and practical reality. Prioritizing and contributing to a highly collaborative work environment, finding solutions, and determining customer satisfaction. I have very good communication, technical and team-working skills combined with a creative flair.

Education and Certification

2021-2022 : SheCodes Basic, Plus and Pro - Coding Course and Workshop.

2018-2020 : The University of Plymouth BA Architecture - 2:1

2016-2017 : The University of Brighton BA Architecture

2013-2016 : Archbishop Tenison's School 6th Form - 4 A levels - A - C

2013-2016 : St Saviour's and St Olave's - 12 GCSE - A* - C

Internship

2014 : Trainee Assistant to Treasury Funding Investment Banker, Nationwide Headquarters, London.

- My internship at Nationwide Headquarters provided an insight into investment banking the various departments and challenges within investment banking. I gained organization, presentational and time management skills, emphasizing on deadlines and communication to ensure meetings are prepared in a timely and efficient manner.

2013 : Trainee Assistant to Architectural Engineer Barbara Weiss Architects, London.

- During my internship at Barbara Weiss Architects, I had the opportunity to learn and work in an effective and independent way, showcasing collaborative communication and negotiation skills. I had the opportunity to go on a site visit to Wokingham medical centre while under construction, gaining presentation and scheduling experience. While having the opportunity to sit in on meetings, understanding the research and context of a project. Highlighting the importance of collaboration within architectural and construction industry. The internship gave me an amazing opportunity to develop design and technical skills and understanding.

2011 : Assistant to Architect Balfour Beatty Construction, London.

- Through my internship at Balfour Beatty Construction, I was a student liaison. Working between my secondary school student body and the architectural firm. This provided an insight into client architect relationship.

Work Experience

2022 - Present : Waitress/Runner - The Paxton

2018 : Summer Sales Assistant - Gatwick Airport

2017 : Christmas Sales Assistant - Card Factory

2017 : Summer Office Staff/ Art Assistant - Camp America

2016 : Christmas Sales Assistant - Liberty London - Department Store

2015 : Social Media Marketing Assistant - Armageddon Academy Fitness
